Right-wing christian prepper porn" Prepare to be bombarded with right wing propaganda as the world ends. It is not even a complete story, not that I have any intention of subjecting myself to any more of this.

This is not the story of preppers with stockpiles of food, weapons, and a hidden bunker. This is the story of Colton Ryman, his stay-at-home wife, Madison, and their teenage daughter, Alex.

In 36 Hours, the Ryman family and the rest of the world will be thrust into the darkness of a post-apocalyptic world. A catastrophic solar flare, an EMP—a threat from above to America's soft underbelly below—is hurtling toward our planet.
