Neil Sheehan’s A Fiery Peace in a Cold War Spring 2011 167 Schriever spent most of the next nine years as a leader in the newly formed US Air Force, trying to bolster the nuclear might of the Strategic Air

A Fiery Peace in a Cold War: Bernard Schriever and the Ultimate Weapon by Neil Sheehan. Random House, 2010, 576 pp. Random House, 2010, 576 pp. The oft-used phrase “American Dream” aptly describes not only one of the historical leaders of the modern Air Force but also a period of American history—the 10 years after World War II and the first decade of the Cold War.

A Fiery Peace in a Cold War: Bernard Schriever and the Ultimate Weapon Neil Sheehan. New York: Random House, 2009. 534 pp., index. Matthew P. If the American public was polled to identify the iconic milestones of the Cold War, the 18 August 1960 launch of the US rocket Discoverer XIV probably would not make the list. The launch was a spectacular visual show, but so were most launches of the ...

A FIERY PEACE IN A COLD WAR. Bernard Schriever and the Ultimate Weapon. By Neil Sheehan . Illustrated. 534 pp. Random House. \$32. Michael Beschloss is the author, most recently, of “Presidential ...

Bernard Schriever, who died in 2005 at the age of 94, was instrumental in bringing the United States into the missile age. He had the right qualifications: a background as an engineer with an aptitude for bureaucratic politics, a respect for scientists, and some enviable patrons early in his career.

In this long-awaited history, Neil Sheehan, winner of the Pulitzer Prize and the National Book Award, describes the US-Soviet arms race through the story of the colorful and visionary American Air Force officer, Bernard Schriever.
