The 8th in the 'Out of Time' series and it is still has me hooked. There is a little twist in this instalment as Elizabeth and Jack don't actually time travel but instead have to save the world in their own time.

Chapter 8. T HAT my strange sense of compulsion was deep and overwhelming is shewn by its conquest of my fear. No rational motive could have drawn me on after that hideous suspicion of prints and the creeping dream-memories it excited.

Then, all too truly, there lies upon this world of man a mocking and incredible shadow out of time. But, mercifully, there is no proof that these things are other than fresh phases of my myth-born dreams. I did not bring back the metal case that would have been a proof, and so far those subterrene corridors have not been found.
