In this book, she shares the techniques and tips for the beginner or more advanced custom painter. Detailed, step-by-step, full-color instructions show how to do a variety of custom projects, from standard to evil skull flames, pinups, and pinstriping to a number of finish techniques as well. Sport bike custom paint techniques are also included.

Taking your basic airbrush painting skills to the next level will move your artwork from the ordinary to the extraordinary. The airbrush artist with the skills to create complicated murals, natural-looking surfaces, complex mechanical devices, and fantastic creatures will stand out at any show.
