

Download Autism Goes To School Book One Of The School Daze Series

How It Works Inkitt's mission is to discover talented writers and turn them into globally successful authors.

Autism Goes to School – Book One of the School Daze Series is an easy to read book that follows the trials and tribulations of Ben and Kyle. A new and single father, Ben is given sole custody of his son and is learning how to care for his son Kyle, a young child with autism. A quiet workaholic CPA, Ben has to rearrange his work schedule, his home, his entire life to provide the care and attention Kyle needs.

Readers who followed Ben and Kyle's journey in Autism Goes to School have said that they would like a guide to help them follow the strategies that Ben and Kyle try. Of course, not every strategy works for everyone. Remember that once you've met a child with autism, you have met one child with autism. While we're all unique, there is often a core cluster of characteristics that kids on the spectrum share.

About Autism Goes to School Autism Goes to School. We're thrilled to announce that this Amazon bestseller is also a B.R.A.G. Medallion winner! Over fifty-four 4.5 star reviews on Amazon! We're so pleased with readers' responses to this book that we're offering you a copy as a free gift.

This was a joy to read. I understand so much more because of this book. I am not in constant contact with autistic children or adults but this read made it easier for me to understand what they go through and what their caregivers go through as well.
