For hundreds of years Bali has fascinated and charmed newcomers, just as it captivated the English watercolour artist Graham Byfield when he first visited the island.

We made a trip to Bali just for sketching, well, we also ate a lot and had massage every day too. It was waking up at 6am and started sketching in our villa'...

For centuries Bali has fascinated and charmed newcomers. This was no less the case when artist Graham Byfield first visited the island in 1997.

Bali Sketchbook (1997) I visited Bali in 1992 and again in 1997 on painting holidays plus I had a short stopover on the way out to Australia in 1997. On both occasions, I was based at Ananda Cottages , at Campuhan just outside Ubud in central Bali on both occasions.

SketchBook is used by product designers, architects, automobile, and industrial designers to iterate quickly and communicate their ideas. Everything is contained in one little object. I can put it in my bag and bring my entire design studio with me.
