

Download Castles Crusades Classic Monsters

Classic Monsters is a compilation of some of the classic monsters of old school gaming, taken from the open content of the first Tome of Horrors and converted to the C&C system.

Monsters abound. They litter the halls of our collective games like so much debris; wandering monsters, laired beasts, plane walkers, horrid thoughts that linger upon the edge of our imagination. Monsters abound, but as any gamer of any stripe knows, you can never have too many creatures for these a

For fans of Castles & Crusades, Classic Monsters: The Manual is almost a no-brainer. You get a ton of new enemies for a decent price and it saves you from having to do any conversion work to the system. Most of the monsters are pretty niche and you probably won't use them more than once or twice, but the rest of them will see regular use, either as cannon fodder or a recurring big bad. I'm ...

Stephen Chenault is raising funds for Castles & Crusades Classic Monsters on Kickstarter! Wandering monsters, laired beasts, plane walkers, horrid thoughts that linger upon the edge of our imagination. Classic Monsters.

Unboxing the Classic Monsters book from Troll Lord Games for Castles & Crusades. The items in this video were all part of a Kickstarter program I supported to get this book to print.

(Im going to do this in 2 parts, Part1 is me rambling as I do, Part2 is my review) Part 1. I have said many times on this blog that I'm totally immune to nostalgia.

Castles & Crusades Players Handbook is the best Kindle supported RPG around. The first monster manual for the set was Monsters & Treasure, which contains most of the standard RPG monsters (centaurs, trolls, dragons).
