Tim LaHaye and Thomas Ice do a great job here in this book Charting the end times. It's really more than a book of charts although they are plenty of charts included it is a book laying out the Bible prophecy's of the end time, in order; and laying out bible prophecy really from the beginning of time to the end time.

Charting the End Times, by bestselling Left Behind (R) author Tim LaHaye and prophecy expert Thomas Ice, has sold nearly 75,000 copies in less than a year.

Tim LaHaye is great at, well, charting the end times! It's a very informative book on events that will take place in these last days. It's a very informative book on events that will take place in these last days.
