

Download Clinical Management Of Sex Addiction

Clinical Management of Sex Addiction's newest edition updates many of the original chapters from 28 leaders in the field with new findings and treatment methods in the field of sex addiction. With a growing awareness of sex addiction as a problem, plus the advent of cybersex compulsion, professional clinicians are being confronted with sexual compulsion with little clinical or academic preparation.

'The ultimate Clinical Text of Sex Addiction. Without question, this book is a classic – practical, timely, competent, and clear. It is a must for every therapist's resource library.' Without question, this book is a classic – practical, timely, competent, and clear.

This is the first comprehensive volume of the clinical management of sex addiction. Collecting the work of 28 leaders in this emerging field, the editors provide a long-needed primary text about how to approach treatment with these challenging patients. The book serves as an excellent introduction for professionals new to the field as well as serving as a useful reference tool. The contributors are literally the pioneers of one of the last frontiers of addiction medicine and sex therapy.
