Dubbed "The Mixmaster" for his ability to blend high- and low-end pieces to create rooms that are simultaneously fresh and classic, Eric Cohler's interior design is always a tribute to individual personality and style.

Dubbed the "Mixmaster" of haute interiors, Eric Cohler can now add a design monograph to his lengthy list of accomplishments.

There are few things in design that are more subjective—or more important—than the use of color. A color that can evoke one reaction in one person may evoke the opposite reaction in another, due to culture, prior association, or even just personal preference.
