

Download Community Pharmacy Symptoms Diagnosis Treatment

Essential for any student on the MPharm programme and pre-reg pharmacists. Covers most conditions commonly encountered in community pharmacy and also differential diagnosis, which i thought was a plus.

Overall, this book is a great reference in the pharmacy. It could be a useful textbook for pharmacy students if you are after a concise compilation of essential information on a range of primary health conditions manageable in a pharmacy.

Description: Now in its fourth edition, this best-selling book is fully updated to address the ever increasing demands on healthcare professionals to deliver high-quality patient care.
