Learn how to play harmonica with this easy-to-use guide! The second edition of this best-selling book features dozens of new songs and a professionally mastered audio CD with over 80 riffs and songs.

This book is surprisingly good for a book written for "complete idiots". I expected something very basic but it covers just about every aspect of learning to play a harmonica up to a pretty high level.

The harmonica is one of the most basic and traditional musical instruments in America. Millions are sold each year, but precious few high-quality, comprehensive instructional books exist on how to learn to play the harmonica. The Complete Idiot's Guide® to Playing the Harmonica is the classic (best-...
