

Download Counting With Barefoot Critters

Przepięknie zilustrowana książka do nauki liczenia. Każdy młody czytelnik rozkocha się w uroczych zwierzątkach i wpadających w ucho rymach. Autorką jest znako...

This is the second Barefoot Critters book and it's all about counting. It starts off with one little critter reading a book. More critters join in the fun and come to play as the book progresses all the way up through twelve.

PreS—White's charming watercolor and gouache illustrations in earth tones depict a cast of animals engaged in a dozen different activities including reading, making pancakes, exploring in the woods, picking and selling apples, playing pirates, swimming, and going home.

Join this adorable cast of animal characters as they explore numbers and counting over the course of a day, having fun at all stops along the way. Join this adorable cast of animal characters as they explore numbers and counting over the course of a day, having fun at all stops along the way. Join
