

Download Down Garden Path Beverley Nichols

From the distance of many decades, this amazing book has the power to amuse as well as giving insights into a long gone way of gardening. Well, perhaps in Britain there are still gardeners like Beverly Nichols.

So this is my review of Beverley Nichols' Down The Garden Path. The reader already knows I really, really liked it because of the rare 5 star rating.

Down the Garden Path has stood the test of time as one of the world's best-loved and most-quoted gardening books. Ostensibly an account of the creation of a garden in Huntingdonshire in the 1930s, it is really about the underlying emotions and obsessions for which gardening is just a cover story.

Pressestimmen. Nichols has a wicked sense of humor. I highly recommend this book as a means of relaxing after a hard day and having a good laugh.

Down the Garden Path by Beverley Nichols ~ 1932. This edition: Doubleday, 1932. Decorations by Rex Whistler. Hardcover. 303 pages. It's rather nasty outside today, with a too-early cold snap blowing in, nipping the last flowers with frost, and whisking snowflakes around our chilly ears, so I have used this hopefully temporary weather event as ...

John Beverley Nichols (born September 9, 1898 in Bower Ashton, Bristol, died September 15, 1983 in Kingston, London), was an English writer, playwright, actor, novelist and composer.

Down the Garden Path by Beverley Nichols and a great selection of related books, art and collectibles available now at AbeBooks.co.uk.

"Down the Garden Path" has stood the test of time as one of the world's best-loved and most-quoted gardening books. Ostensibly an account of the creation of a garden in Huntingdonshire in the 1930s, it is really about the underlying emotions and obsessions for which gardening is just a cover story.

Nichols is now best remembered for his gardening books, the first of which, Down the Garden Path, was illustrated, as were its two sequels, by Rex Whistler. The bestseller, which has had 32 editions and has been in print almost continuously since first published in 1932, was the first of his trilogy about Allways, his Tudor thatched cottage in Glatton, Cambridgeshire.
