Get this from a library! Eye of the beholder : [a collection of visual puzzles]. [Peter Kuper] -- Each strip consists of one page of four panels followed by a fifth panel providing a sort of surprise ending. Each strip points up the importance of your point of view.

Eye of the Beholder: A Collection of Visual Puzzles. Started as the first comic strip ever to run in the New York Times, this silent set of strips chronicles the world, its foibles, its intricacies, its dreams through the eyes of most anything you can imagine.

Eye of the Beholder is a wordless comic strip by Peter Kuper, published regularly in The New York Times. Each strip is a kind of visual puzzle.

Eye of the Beholder by Peter Kuper, 9781561631599, available at Book Depository with free delivery worldwide.

Funny, enlightening, and unsettling, Peter Kuper's work is never dull. Mind's Eye: An Eye of the Beholder Collection assembles his newspaper strip work and provides a more appropriate format for the puzzle-like pieces.

An as yet unfinished version of the Eye of the Beholder game, re-adapted for Legend of Grimrock. In case that isn't clear, I should stress it again; This is an UNFINISHED mod, meaning there is alot more to come and that there will be far more.
