In A Feast of Fish, Ian McAndrew, Michelin-star chef and restaurateur with over 25 years experience in fish cookery, sets out to educate and enthuse even the most timid of cooks.

Very much on a par with Susan Hick's 'The Fish Course' (though maybe even more comprehensive), this excellent book by Ian McAndrew is a veritable encyclopedia of fish dishes. Beautifully illustrated, McAndrew covers the diverse subjects of choosing your fish (how to be sure it's fresh), preparation (handle with care and respect), cooking (NEVER overcook), and presentation (the side dishes and sauces that complete the meal).
