

Download Frequency The Power Of Personal Vibration

The book 'Frequency: The Power of Personal Vibration', by Penny Peirce, first published in 2009, is an inspiring and comprehensive introduction into the topic of frequency and energy.

Frequency gives readers the tools to understand how and why their natural frequency interacts with the world around them. Because we see the world from a physical perspective, we often don't notice what's right in front of us — that our spirit, thoughts, emotions, and body are all made of energy.

In fact, each of us has a personal vibration that accurately communicates who we are to the world and helps shape our reality. Frequency shows readers how to feel their personal vibration, improve it, and use it to shift their life from ordinary to extraordinary. A simple shift in frequency can change depression to peace, anger to stillness, and fear to enthusiasm.
