So he has done the next best thing: he has made his wisdom and experience available in this book. Because in compiling it he has drawn on all of his varied in-depth experiences and has organized and presented them only after long reflection, reading it may be even better than talking with him in person! Readers, even if they have not suffered a major loss, are likely to be grateful for the book because of the way it opens us to life as well as death. Don't be the one to pass it by.

2 -Gifts from the Unknown: Using Extraordinary Experiences to Cope with Loss & Change, New York: Authors Choice Press, 2001. This is the first book ever published to show how extraordinary experiences can be used to cope with the death of a loved one. (See ordering instructions below)
