Main content The Hands-Off Manager How to Mentor People and Allow Them to Be Successful

Chandler, whose 100 Ways to Motivate Others is a bestselling favorite with small and large businesses alike, has called The Hands-Off Manager his "most original work to date" because it finally solves the age-old problem of getting the best performance out of people without frustrating yourself and them.

Today's employees do not respond to the old hands-on, militaristic management styles.
