

Download Happy Healthy Nonprofit Strategies Without

The Happy Healthy Nonprofit takes off where The Networked Nonprofit and Measuring the Networked Nonprofit left off — helping individuals and the nonprofit organizations where they work how to live and work in more sustainable ways.

Almost a year ago I volunteered to manage the social media for an amazing event, the Mindful Leadership Summit. While I was following the hashtag to see what kind of comments we were getting, I noticed that Aliza Sherman mentioned @kanter (my digital aunt) in a tweet.

The Happy, Healthy Nonprofit: Strategies for Impact without Burnout [Beth Kanter, Aliza Sherman, Vu Le] on . *FREE* shipping on qualifying offers. Steer your organization away from burnout while boosting all-around performance The Happy

by Upma Kapoor. On Friday, February 10, co-authors Aliza Sherman and Beth Kanter joined Georgetown University's Center for Social Impact Communication for a discussion on their new book, The Happy, Healthy Nonprofit: Strategies for Impact Without Burnout.

Beth Kanter and Aliza Sherman are successful nonprofit tech pioneers, social media experts, in-demand trainers and speakers, and the authors of several books.

Very simple and repetitive recipes for creating a happy, healthy organization. In spite of being based on interviews and studies of nonprofit organizations across America, the solutions and strategies presented are general and vague.
