About the Author. Robert Brzezinski, MBA, CHPS, CISA spent decade leading teams through organizational changes, solving problems, improving processes, creating strategy and savings in corporate structure.

I searched high and low for a book on HIPAA compliance that (1) was simple and practical, (2) included HIPAA-related forms and policy documents, and (3) incorporated changes wrought by the HITECH Act (so it would have to be published after 2009).

Our HIPAA Explained article provides information about the Healthcare Insurance Portability and Accountability Act (HIPAA), the most recent changes to the Act in 2013, and how provisions within the Act currently affect patients, the healthcare industry as a whole, and the individuals who work within it.
