Judith Fradin has co-authored more than three dozen children's and young adult books with her husband, renowned writer Dennis Fradin. Starting in the 1990s, Judy began helping Dennis research and write the From Sea to Shining Sea state book series for Children's Press.

My name is Judy "Research" Fradin. I love doing intensive research prior to writing children's and young adult non-fiction books. My dear husband Dennis and I wrote more than 50 books together. We researched all the photos for our books, too.

A common honorarium for Dennis and Judy's visits would be \$1000 plus expenses per Fradin per day (with 3 presentations per day). They like working together, so \$1500+ expenses (one hotel room) for both Fradins per day is fine, assuming they present the three daily presentations together rather than separately. For out-of-town visits, the Fradins prefer more than one day in an area.
