Audio Recording of a Long Walk to Water by Linda Sue Park.

A Long Walk to Water is a short novel written by Linda Sue Park and published in 2010. It includes the true story of Salva Dut, a part of the Dinka tribe and a Sudanese Lost Boy, and the fictional story of Nya, a young village girl that was a part of the Nuer tribe. Park used this book as a platform to support Dut's program, Water for South Sudan.

A Long Walk to Water, in my personal opinion, would be the next step up for these students because of the way in which the author chose to write the story. The story is told in first-person narrative by two different characters AND the story takes place during two different periods of time in Sudan.
