"A historical view of the street since the suburb of Carlton was settled in Melbourne in the 1850s to the present day. The focus of the narrative is on the melting pot of cultures and influences from both the Jewish and Italian communities and their influence on food and dining in Melbourne and Australia.

From the time it was laid out across the bushland to the north of the Melbourne city grid, Lygon Street became a melting pot. Even in its earliest days, the days before the distinct waves of Jewish and Italian immigrants washed over Carlton, the people who lived, worked and owned businesses on the street came from many different ethnic ...

Lygon Street - Stories and recipes from Melbourne's melting pot by Michael Harden This wonderful book captures the essence of Australia's most delicious and unique eating strip. It was Lygon st that had the first espresso machine in Australia (sounds good anyhow).
