

Download Missing By The Midway The Ocean Grove Mysteries

His walk takes him through a lovely small town. The atmosphere and history in Ocean Grove NJ is almost a character in the story. Among the many things going on in Doug's world is a missing coed, dead animals in a vending machine and campus protests. The most important of these is of course the missing coed, Jessica.

Heath P. Boice, author of Missing by the Midway (The Ocean Grove Mysteries), on LibraryThing

There is much mystery surrounding the Mary Celeste, but the facts are that the ship had set sail from New York City and planned to reach Genoa. The Captain, his wife, their two-year-old son and a crew of seven men had all disappeared from the abandoned the ship but left their personal belongings behind and for no reason.

Head for the hills and away from the coastlines, because these mysteries will convince you the ocean is out to get us all.
