Olivia is kind of insistent and doesn't thank her Mom while she is all over her Dad for saying that he will get another toy, and in the end fixes her toy herself and forgives her dog. Seems not too bad, perhaps more true to life to me (though I would have preferred that she gush on the new uniform a bit for her Mom's hard work).

In addition, he has designed sets and costumes for the New York City Ballet, the San Francisco Opera, and the Royal Opera House (Covent Garden), among others. Mr. Falconer lives in New York City. Mr. Falconer lives in New York City.

Shelve Olivia The Gift Set Collection: Olivia, Olivia CD, Olivia ... and the Missing Toy

Olivia...and the Missing Toy, is just what the title says Olivia and her missing toy. Olivia misses her toy after her mother finishes her new soccer jersey, and she cannot remember where she put it. Olivia looked everywhere for her missing toy. We later find out, the dog at her toy and tore it into little pieces. Olivia had a break down and was not fulfilled until she put her favorite toy back together.

After borrowing Olivia and the Missing Toy from the library, she memorized this book front to back, word-for-word. Of course, she cannot read yet, but the pictures and simple text were alluring enough for her to memorize. We then had to purchase this book to add to her collection. Highly recommended, this book is a charming and fun read.
