But Pinky isn't counting on the new kid in class, who's a great speller, too. And he's certainly not counting on embarrassing himself in a way so terrible that winning or losing doesn't even matter. It's a good thing he can count on Rex to make him feel better on the worst day of his life.

—Pinky, "Pinky and Rex and the Spelling Bee", P. 38 I am just really impressed by the depth with which James Howe writes in these short Pinky and Rex volumes. Taking a simple story, he injects the characters with warmth, verve and real feeling, letting the reader feel right along with them and experience their days as if they were personal friends of theirs.
