Like the Totoro book, the Ponyo book is a great book and tremendous value. It follows the movie storyline and a good majority of the dialogue. The pictures are awesome, and if you know anything about Ghibli/Miyazaki films, the animation is super detailed and beautiful, particularly paying lots of respect and attention to nature.

Ponyo on the Cliff by the Sea, loosely based on Hans Christian Andersen's The Little Mermaid, is a hand-drawn feature-length film. The art of the film involves not only cel, but also striking watercolor and pastel concept sketches and layout pages. Interviews with production principals about their daring choice to hand draw a film in the age of CGI and the screenplay complete the package.
