

Download The Big Book Of Buttons

I admit this was a huge splurge that I bought and saved for my birthday gift. Buttons are a secret passion of mine that none of my friends know about. This book tells you everything possible that anyone has yet put in a book about buttons. The others pale in comparison.

The Big Book Of Buttons book. Read reviews from world's largest community for readers.

The Big Book of Buttons is being reprinted and due to come out towards the end of 2008. It is to be in TWO hardcover volumes, and is said to be priced at approx. \$300, according to a trusted source `//(*_~)\` So in my humble opinion, it makes no sense to purchase the old single outdated book for the same price you will be able to pay to get the same info, updated and corrected, with better photos.

Get Textbooks on Google Play. Rent and save from the world's largest eBookstore. Read, highlight, and take notes, across web, tablet, and phone.

mjsagonnett I too, have had the same problems trying to secure a copy of " The Big Book of Buttons" With prices very high, I e'mailed the former publisher several months ago to ask whether they are going to publish another edition. Their response was "NO" they had no intention of re-publishing this book. Sorry, But I was disappointed and I'm sure you are as well.
