Thomas and the Hide-and-Seek Animals is a twenty-four page book first published in 1991 by William Heinemann Ltd and was subsequently re-printed in 1993.

Thomas the tank engine surprise lift a flap train book .James the red engine is taking some wild animals to the zoo when mischievous monkeys set the creatures free.

Lift the flaps and help Thomas the Tank Engine and his friends hunt for a hungry bear, a sleeping tiger, noisy parrots, and many more! Not available for several years, this popular title is now available in this child-friendly, rack-sized format.

Thomas and the Hide-and-Seek Animals is a twenty-four page book first published in 1991 by William Heinemann Ltd and was subsequently re-printed in 1993. The book was unavailable and out of print for a number of years, until a new version of the book with updated graphics was published by Random House Books in September 2007.

Lift the flaps and help Thomas the Tank Engine and his friends hunt for a hungry bear, a sleeping tiger, noisy parrots, and many more!" My Review: I picked this one up for Munchkin when he was down with a cold, he love Thomas, loves animals and loves flap books.

My son was 18 months old and a huge Thomas and flap book fan when I ordered this. I was disappointed with the quality. He tore most of the flaps off within a week.

An alternate angle of Thomas going to Rocky is used, Thomas has a different face mask, there are different rolling stocks and the materials on the ground are moved. The title is a pun on the game "Hide and Seek." S.S. Vienna and Big Mickey's models from TUGS can be seen.
