Boy, I really wanted to like this book. I'm a fan of adventure films and treasure hunters, but this one just didn't do it for me. For lack of a better term, the writing was a bit cheesy for me. It came across amateurish in some cases and overly braggadocious on others (sometimes both at once).

Treasure Hunter by W.C. Jameson, is a fascinating look at the adventures of a modern day treasure hunter. I have always enjoyed watching and reading about history, conspiracies, mysteries and lost treasure. This book contains all of these elements. This memoir offers a close hand look at the challenges, danger and excitement that treasure hunters face.
