Get this from a library! Yosemite : its discovery, its wonders and its people. [Margaret Sanborn] -- History of the people who lived in Yosemite and those who came to it.

Discovery of the Yosemite, and the Indian war of 1851 (originally published 1880) contains his account of that event, beginning with the history of the battalion and the tribal unrest that inspired its creation. He goes on to chronicle the unit's march from its camp near Agua Fria into the mountains down the South Fork of the Merced River. Bunnell recalls his comrades' reactions to the ...

Exploring Yosemite National Park should be on everyone's "bucket list." Discover Yosemite makes your visit to our wonderful National Park both relaxing and unforgettable. We'll plan the day, pick you up, feed you, and transport you through the phenomenal grandeur of this national treasure. And after a day with our exceptional guides, you'll have a much deeper appreciation of what you've seen than if you'd traveled on your own.

Yosemite National Park included the entire upper drainages of two river watersheds. Preservation of watersheds was very important to Muir, who said "you cannot save Yosemite Valley without saving its Sierran fountains." The State of California retained control of Yosemite Valley and the Mariposa Grove of Big Trees.

Great history of not only the "discovery" of Yosemite and its first white occupants, but also of the Native Americans who lived there.

Yosemite National Park (/j oʊ s m ʔ t i / yoh-SEM-i-tee) is an American national park located in the western Sierra Nevada of Central California, bounded on the southeast by Sierra National Forest and on the northwest by Stanislaus National Forest.
