You'll need to train your body like an endurance athlete to handle the oddballs you'll have to work with, travel with, dine with, or be stuck in the hallway with. Lucky for you, I've dissected 9 of the most awkward, rude, improper, narcissistic, and downright ignorant types who will make your job feel like the ultimate test of mental composure:

Many people spend half their waking weekday hours with their co-workers. So, if you figure you're asleep a majority of your home hours, you're getting to know what's going on in the lives of your cubicle mates more than your family and friends most weeks.
